

# MY REPLY TO THE BITTER ONE

Sent before 2020

(Not edited except for the removal of a name)

Hi \_\_\_\_\_, It has been a long time since I have contacted you, but it is for a certain reason that I send you this note. Please, I am only sending this at Yahweh's request. Could I have my first printed book dedicated to you and your children? I would not place any names but will just state what Yahweh gives. This will not be a continual request, and I will not stalk you (smile). Yahweh has broken me and it would be with great honor to plant this seed of praise. I will not seek you out and make you uncomfortable after this moment. I will give a printed copy to one of the children when in town to visit them. Please pray and let me know if this is acceptable.

No I do not Accept!!!! God has so many more people in this world to talk about other than myself and my kids, so many. I am sure my children will not be ok either. Even if our names will not be there. You and everyone who reads it who know of us, and will know is us. Live your life for the Lord as you say you been doing. Leave us out if it, please. So many years. So many things and we are still a mockery, let's us be. We love our Lord Jesus so very much, he knows who we are and all we been through, we don't need no book to be dedicated to us, or about us. ...what ever the book is about, whether good or bad, find another family other than us please. Leave us alone and keep us out of your book, website and mind. I can not believe such a request. If you do not take us out of your website, books, anything you do, it only goes to show who you truly are. Please stop this. I DO NOT ACCEPT, HAVE NEVER ACCEPT IT, OR EVER WILL ACCEPT. WITH ALL DO RESPECT \_\_\_\_\_. Wake up. I have been out of FB so long, have been trying to get infor the past week and now I know why.

**YAHWEH IS GIVING A SEALING:**

I will answer her and her bitter ways. Why would I have you send a letter to that person who is holding anger? I wanted to test her. I did, and I found her heart to be bitter and a dying plan. Why? You are innocent of all the lies that were spread. Her way of training those others have caused a rift between all. Judgment is now upon her and the others that are under her training.

I will now give a reply to what was sent a few years back, before the year 2020:

I will never have you engage her. I will never visit their way or sit at their table and eat a meal. There will be no further acknowledgment that they were in your plan. They are no longer in our prophet covering, and Yahweh will never give a new plan. I will not let them heal in the healing room. All who took her position will taste what has been given: a cut-off will, with no further knowing of what a Kingdom order would be. How many are permanently sealed into the lake of fire? A firm two or three. But what is now coming forward? I will now sweep them under the current of My anger and begin systematically wiping them from the face of the earth. Maybe four? Maybe five? Maybe seven or eight? Let Me see what will be in this two-year tester presentation. This bitter woman has meddled for decades and is still lying low on your family member's way. She is snooping and seeing if she can get intel. She is visiting with your husband's family, trying to be a third wheel. How selfish to let that student go to the Hell. She trained her to hate you, and it gave her a permanent placement in the lake of fire. And there will be no saying that we know of them. I will erase your memory when he passes to make sure you never think on them. It is her actions that led it to this placement. I am looking forward to sealing them all, far away from Me and My mantle laid upon your shoulders. I am ready. Let's start pushing the heavy curses. They who wanted you to be dead in natural ways,

let them have a small taste of My anger. She never has to worry; she and her children are no longer going to drink from your mantle in any way, shape, or form. She and her children will never need to worry; they will be as dead to a servant, a powerful prophet of old. And now I seal it. I give her a real way of taking on torment. We will never engage with her, and if she comes into our personal space, I will have your way leave regardless of where she has entered. And that will be a real sign that she is in disgrace. Let them all see. Yahweh does not cower. I do not bend to the demands of a wounded, bitter, evil one.

The veil is torn. All spiritual ties have been broken, and I will never mend what could have been. Done this moment.
