

THE STRAIGHTFORWARD WORD OF GOD

OCTOBER 15, 2011
MESSAGE FROM THE LORD

YAHWEH SAYS IT:

They think it is too straightforward—My Good News, given out for others to read. It truly is not, but they think so. How will people know about My will if no one tells them? How would people know? Someone must share. There must be no fear of man, where you are afraid of what people would do or say.

Wouldn't you want to know? Wouldn't you appreciate someone just giving you a handout on it? This is not forcing them to believe in Me. This is sharing My Good News. If it truly is Good News to those who are Mine, why are they afraid to share it? It is because they are more concerned about what people would do or say instead of doing My will. They are not being led by My Spirit.

It is My will for those who are Mine to proclaim this throughout the earth. They are too concerned about what others would say—that they are radical when they are truly just doing what they are supposed to do. It is the Great Commission to tell this Good News throughout the earth.

This is part of what I want My Body to do, where they are not ashamed of Me. They will listen to My Spirit and do the will of God, where they declare

My will. They must not be intimidated by the worldly system and how others do the will of man.

My Kingdom is truly here. It is within those who are Mine. It will be established in full force when I return to this earth, where I rule and reign. People do not see that this Kingdom is truly available now to those who receive Jesus as Lord and Savior, but it is. It is an unseen Kingdom that is more real than what they see before them in the natural.

If they would truly see, they would do My will. If they would truly believe, they would do My will. And they would do My will if they were truly in touch with My will. I want My Body to listen, to seek My will.

They don't know that time is short and things will not continue on as they have been. My return is very near, yet many are not listening to My will. They are doing their own will. They are trying to do these things to show they are Mine when all they have to do is listen to My Spirit and be led by My Spirit.

If they would do this, where they come to Me and let Me lead them, they would truly know My will. My will is to see this great harvest come forth into My Kingdom. My will is that all would do this, where they are going forth, sharing what I came to do as mentioned in Luke 4.

My will is for My Body to drink from Me, where they listen to My Spirit. I want those who are Mine to come and drink from Me, where they are being led by their "spirit man" as they follow My Spirit. I do not want My Body to allow their flesh and their emotions to lead them. They are to truly look to Me. Those in My Body are to look to Me, where they ask Me what to do, where to go, what plans to pursue.

This is My will. They are to come and drink from My Spirit, where they are to listen to My will through the Spirit. This is truly a different way to live. It requires forsaking all and following the will of My Father, where the Gospel is preached throughout the earth.

They are to do the will of God and win many souls for the Kingdom of God. This goes past trying to do works to win My approval. This is where they are being led by the Spirit of God. I want the Body of the One True God to listen and heed My will. They are to listen and be led by the Spirit of God in all things, in all pursuits. Then My Body will be ready, where it truly is in the state where it is moving along with Me, doing the will of My Father, the will of the Great I AM.

Now is the time for the Body of God to arise and be led by the Spirit of God, where they do the will of My Father. Now is the new season for those who are Mine to be led by the Spirit of God, says your King. Be led by the will of My Father, where you drink from His Son Jesus.

Now is the time for the great harvest of souls to come into the Kingdom of God. Be ready for the move of God to take place in your midst in a way that is truly the will of the One True God, Creator of Heaven and Earth. Your King has spoken the will of the Father, the Great I AM Yahweh. It is His will that all will hear of the Good News of His Son Jesus and turn to Him to receive eternal life. And I will raise them to life at the last day.
