

APOCALYPTIC ERA SHOULD NOT LEAD

April 15, 2020

10:41 a.m.

A dream took way on April 14, 2020.

YAHWEH SAYS A WAKE-UP CALL:

That's how bad it could be, where people start eating their family members at the dinner table. You were shown what could take way with a ravaging virus not yielding. Food shortage would lead over all things, and people would resort to eating the limbs of the people. See it; cannibalism is a deep demon-based dealing, and there is no will to yield to humanity when a person takes on this habit. Just as eating human waste will bring major ways of demon infestation, so will eating other humans or drinking their human blood.

Please see. It is major, this virus that Satan spewed out in the earth. Yes, it takes on a start from natural dealings, but the way in the spirit realm gives the origin from the demon named *Murder*. And with My will in letting it take way, you are given a glimpse within to see how times will buy them when *Pure Evil* takes a way in leading.

You saw the human hand on the white woman's dinner plate. Your father is white, and you are half white, and I can give you My will in dealing with any race. You saw her joyfully eat the hand and see how she smiled at how there was food to eat. Her family members at her dinner table were without any food.

We show it how the world could turn quickly and take in *Pure Evil*, for to eat another human and not share is a major demonic base within. Instead of hamburger meat, you would have dead human meat, grind in a grinder to be sold in grocery stores without any

regulation. Meat markets would run out of pigs and chickens. Cows would die off. And the only other meat that is similar would be human meat.

What is taking way? My servant needs to begin. You need to give out this blue surging within and bring Me into the earth. You cannot stay hidden. There will be a literal breaking of the human way in a quick six months if there is no cure. People are already blaming the way in living with the leader, and there will be others who will kill themselves to heal in their own way. There must be a real way in great surgings to war against the way of the virus.

Please bring them Yahweh's Kingdom. Say My holy name—Yahweh. No Spirit of Religion is to lead. Give them the Great Yahweh. Tell the people to pray to King Jesus. And I will bring healing. Tell them the ways I heal, please. Salvation is the way that is needed. Bring your heavy burden to Yahweh. Become the way Yahweh has purposed you to be.

Live and not die. Step into life and live. Take on a power way of Kingdom order. Let the way in Yahweh's glory lead within. The prayer of salvation brings your spirit into Kingdom order and lets you drink of the Living Water from King Jesus. Death: it should no longer be feared. Today is a new day, free in King Jesus if you yield.

PRAYER OF SALVATION

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.
