YAHWEH IS LEADING:

Do you remember that, servant, when you would ache to get more from Yahweh? You yearned to get near these preachers who said you could get more from God. You looked to the preacher for a way of getting close to Yahweh. But what if Yahweh can deal with you directly? You hope with an expectation to receive so much. But you once looked at the preacher as the way.

These are the church people of today, thinking that if they give a certain amount of money, there would be power, deliverance, healing, a renewing. But what is now possible, servant? A person can come directly to Me. They do not need a human mediator. Come directly to Me, dear people. I will heal you from your sinful living.

A PRAYER TO YAHWEH

Yahweh, Great King of the Universe. You know my heart. You know of every pain I deal with. You know of every thought I held within. Please show me how to release the old way and come and embrace Your new way. The new way that I long for is to walk with You. I don't need gimmicks. I am not here to aim to pay anyone for Your wisdom or power. I want to know more about You. Create in me a clean heart and renew the right spirit within me. I don't need anything else but You, King Jesus, and once I seek the Kingdom of Yahweh, all other things will be added. So, when I look to You, You will take care of me.
