

A REBUKE FROM KING JESUS

INCLUDES NOTES ON PROPHET AND PASTOR OUTLETS

July 7, 2023

10:19 p.m.

YAHWEH YIELDS THIS GREAT REBUKE. KING JESUS SAYS IT:

This message, by far, will be the harshest placement due to the level of punishment yielded forward on the earth.

You are no longer a novice prophet, but Yahweh will also put this note on the novice manual so they can look at the results of prophet training after the cave. See it, how the churches are. They war against one another in their group and under the Church Body way. They war within the Body of Yahweh—throwing stones and hurling insults. My heart is angry, and the Body isn't in agreement with how most churches are governed. Let's set it in a clear way: no preacher or pastor gives the final say. Yahweh is the only Head of the Church. And no pastor rules My sheep.

I'm ready to bring a season of harsh movings against the structure of the Church, with how the churches are doing what they feel is better. There isn't a way to bring you revival with your current state. You are a bad smell in My nostrils. You offer profane sayings to Me. I will back you if you stand in a real office placing.

Do not label prophets with titles that I did not give. For example, do not label a woman prophet with a prophetess title. I did not give it. Do not give women the Pastor title. I give specific reasons for that standing. And these women who hold the Pastor title are out of order and must be removed.

Yahweh shares this note: "A woman or man married to an evangelist, or any other placement is not given that office title just because they married a person in an office placement. Would the president of the United States call his wife by the title of president to make her feel like an equal? Whoever carries the office gets named the office placement. If you are married to someone who is a fireman, just because you are his wife, you will not take on his work title of Fireman. Your pastor's wife is not in a Pastor office placement due to who she married. So, you would call her by her given name unless she has another office placement (such as Teacher, Prophet, or Evangelist, for example)."

You, seersgate, are a woman who has the way to work in these office placements, but you can't be (or operate) under the Church's established structure as a Pastor due to how Yahweh places governing restrictions within Paul's way to rule by a curse spoken from the Garden of Eden. But I didn't give a governing restriction to Eve until they sinned. And throughout history, I brought women forward to give governing in different placements of work.

To bring a woman forward in a governing plan in a spiritual capacity needs a Kingdom ruling that brings a way to implement a new way. Yahweh must release a Kingdom action to begin to bring forward or implement a new way that overruled what is or was.

"Here is a good way to see how Kingdom order overrules tradition, spoken curses, or placement of the culture: Death is a governing spirit that holds all the dead people in the death placement, but with a Kingdom order, I can give a new order that will raise a dead person and overrule the curse of death. Within the Kingdom, no one can bring

a purpose into the natural and have it overrule My ultimate will and keep it under the spoken curse.” —Yahweh

Other examples of Kingdom order overruling the ways of the current order: King Jesus yielding spiritual traits that break down natural elements when He walked on water (Matthew 14:22-32), and the overruling of the Jews visiting a Gentile was a Kingdom order overruling a culture plan (Acts 11:1-18) to bring the Gospel to the Gentiles.

And no curse, regardless of who spoke it, established or establishes a system by it, in the human placement, rules order Kingdom order. I am Yahweh, and within My Kingdom order, no curses lead over My order.

That means, at any moment, Yahweh can release a command, a spoken word, or overriding standing Kingdom order that abases any curse, natural, spiritual, or spoken in judgment: How Heaven and eternity operate and carry forward no curse can overrule the natural order set up under time-based dealings and bring heavenly elements into earthly events. The way of no curses in Heaven can lead over a curse on Earth, yielding a new overruling plan.

Thank you for listening to My gentle way, servant. Now hear the way of anger.

I will bring real judgment within the churches. I will bring a real way to strip the leaders who bring real ways to hurt My real sheep. They mix with the Satan worker and feel that they should get a connected way to Me. I do not hear them. I do not bow My knee to

their ill way to come and bring their craving forward. Wake up, Church. The real Body must hear and bring real worship to Me.

I will bring destruction, and I will use wicked ways to do this bidding. I am not wicked, yet I can use demons to bring My ultimate plan to the natural way. I will bring an opposing force that will taunt and make church leaders take a side. And the real church ways will be under the looking of the communities. They will say, "Woah, I did not think they were that way. I truly thought they were real Christians." And the veil, Yahweh will remove. And soon, the old ways of lying to these deceived people for a dollar will be exposed.

I will visit every single church gathering. Plagues will come. Spiritual famine will lead within. The fake way of telling Me to bend will be greeted with the real breath of My mouth, and I will let out a brief sigh, long enough to bring a spiritual stripping of My last presence in the corner of your fake-driven service. I see you—how you tell tales that they can have their cravings if they put money in your offering bucket. Woe, see it, how the presence of God will be stripped away, such as when the air leaves a broken seal holding back the enclosed space. Can you see your children bickering and arguing about the basics of living? And you would look at your natural children and say, "I will bring order." How should Yahweh bring order to this way of daily Christian living?

Many sinners are stating they are Christians and truly do not know what a follower of Christ truly looks like. And then you have people like the famous worker of Satan, a famous heavy-hitter of Satan's way, spreading a lie that she is serving Me. And these pastors of lukewarm and dead ways follow her. Lies. She deceives My people. I want to take her from this earth this minute and send her straight to her pit in the Hell. I want to open the earth and swallow her up and, with her, send those pastors in Texas who lap up her Satan-filled toxin. I will not say her name. She is a leading witch, a bride of Satan, working with Christians in titles, who say they want everyone to live their best life and give "I AM" statements. Wake up, you! I am giving a real warning. I am against her. Step away from her tent, or you will be consumed along with her and all of her covenant workers.

“I need to do this” and “I need to say you are this way” —why not speak the truth? Why tell them what they want to hear? Doesn't anyone have wisdom to learn that a con presents itself in a way of giving you what you think you really need? Is it always My will to heal you? Yes, but not always will your healing begin here in this living. In death, every Kingdom citizen will be fully healed. Amazing. And your resurrected body will be a glorious way of eating and drinking with Me. How should I punish that pastor in Texas near the Dallas region? Should I bring him real demons that his TV friend has taken a placement with? As a bride of Satan, she carries a great hoard of demons. Should We—Yahweh—let him drink her demons and let him feel torment for Yahweh giving it? I can bring a demon to torment anyone. I greatly have.

I do not want a break in gender in any office placings. That statement says I do not give a different message to a male than a female. No other office is separated or split into gender ways. Prophets drink directly from Yahweh in less hindered drinking than in the general ways of the Church. These people say women should be labeled as a prophetess. You lack great seeing in spiritual dealings, for the message stems from the root (Yahweh) and does not lead based on the gender role. The prophet hears Yahweh and sees His will in words, visions, dreams, and conversations with other spirit beings.

Beware of those who would gender base Yahweh's way of speaking. I say a plan, and the outlet for getting the plan is a PROPHET TRAIT and has nothing to do with a person's organ. Beware.

Yahweh doesn't filter how He gives out messages based on who hears Him. Yahweh doesn't change the message to cater to a person's gender. So, men and women can hear Him in an equal setting. And how a person hears Yahweh (the level of hearing and engaging ways),

regardless of gender, depends on why Yahweh would let them hear Him without hindering filters included.

Yahweh is dealing with both sides (cessationists and charismatics). Both sides are bringing up foul scents to Me. I hate sin. Look at how My people wallow in the ways of sinful living. I hate seeing someone fall from My way, but in some placings (incidences), I purposely place them and set them to their destruction, just as that prophet who went and ate with the older prophet and had a fate he didn't need. He came against Me by disobeying Me.

(11) Now there was a certain old prophet living in Bethel, whose sons came and told him all that the man of God had done there that day. They also told their father what he had said to the king. (12) Their father asked them, "Which way did he go?" And his sons showed him which road the man of God from Judah had taken. (13) So he said to his sons, "Saddle the donkey for me." And when they had saddled the donkey for him, he mounted it (14) and rode after the man of God. He found him sitting under an oak tree and asked, "Are you the man of God who came from Judah?"

"I am," he replied.

(15) So the prophet said to him, "Come home with me and eat."

(16) The man of God said, "I cannot turn back and go with you, nor can I eat bread or drink water with you in this place. (17) I have been told by the word of the Lord: 'You must not eat bread or drink water there or return by the way you came.'"

(18) The old prophet answered, "I too am a prophet, as you are. And an angel said to me by the word of the Lord: 'Bring him back with you to your

house so that he may eat bread and drink water.'" (But he was lying to him.) (19) So the man of God returned with him and ate and drank in his house.

(20) While they were sitting at the table, the word of the Lord came to the old prophet who had brought him back. (21) He cried out to the man of God who had come from Judah, "This is what the Lord says: 'You have defied the word of the Lord and have not kept the command the Lord your God gave you. (22) You came back and ate bread and drank water in the place where He told you not to eat or drink. Therefore your body will not be buried in the tomb of your ancestors.'"

(23) When the man of God had finished eating and drinking, the prophet who had brought him back saddled his donkey for him. (24) As he went on his way, a lion met him on the road and killed him, and his body was left lying on the road, with both the donkey and the lion standing beside it. (25) Some people who passed by saw the body lying there, with the lion standing beside the body, and they went and reported it in the city where the old prophet lived.

(26) When the prophet who had brought him back from his journey heard of it, he said, "It is the man of God who defied the word of the Lord. The Lord has given him over to the lion, which has mauled him and killed him, as the word of the Lord had warned him."

—1 Kings 13:11-26 NIV

Two great examples of Yahweh setting people up for destruction are
Ahab's death: 1 Kings 22 and Saul's death: 1 Samuel 31.

Look at how these churches are. Look at the way churches carry great segregated actions, but the way of segregation is between churches (between their traditions and personal opinions).

“You let them wear this:____. Yahweh thinks you’re in the wrong.”

“You said you speak in tongues. Prove it.”

“You gave a message; you said a person’s name. You are in error.”

“You did this. You did that.”

“Where is your proof? Where does it say that?”

These church people can’t hear Me. They would yield to hearing Me if they could hear.

People would rather use their own way of dealing with things. They do not really want to come under Yahweh's Kingdom order. They want to do what they feel is right in their own eyes.

Let Me show you what is coming.

There will be a great rising up against a real reformation prophet. This reformation prophet is outside of the Church’s way of governing standing and operates as a modern-day prophet of old. What does that state? Her mantle has no grace. And when people rise up and say they want to usurp her in her work or pray to Me to have her killed, there will be a weighing. You can say your ill ways, murmur and complain, but do not pray to Me for her leaving earthly living.

How fair is it (the removal of grace)? It is how the thousand-year reign will be. And in a season, the power of the antichrist will govern the earth, where no grace will have a leading.

It is a MERCIFUL YAHWEH who gives these warnings. There will be a day when this reformation prophet says that the age of the antichrist has started, and in the saying, Yahweh will begin to remove the grace filter and bring quick judgment. Repent. Do not enter these judgments with siding with Satan's platform.

I will have the servant walk by, and devils will cause the human host to squirm and scream. I will bring instant death to those who come irreverently before My potent presence. They will not get near the servant without Yahweh weighing them. "Thank you for the way of seeing" should be your heart's crying way. Judgment on the houses. Judgment.

Seersgate, it's not going to take too long before they ask for proof. I started by giving you hearing and seeing traits. But then we moved into many heavy-laden wisdom-filled sayings. But only a sliver of hearing and seeing and teacher wisdom; that is but a taste—just a taste of My more revealing nature.

The people give their "prophet messages," but they are not My servants. They may carry a prophetic way, but they were never trained under Yahweh. These people have church leaders giving them a prophet placing, but I didn't call them. They didn't hear from Me. I didn't bring their prophet traits into natural ways due to not giving them an office placing at the table. Look at how they say one word and the other copies them. They flock together, not hearing anything from My way—a fooled person. And people drink their deception.

Where are the real prophets—those who hear and see in the real Kingdom living? I did not call them—these fake leaders who say they can give Me a command. "Do this. Do that." Isn't anyone aware of the nature of Yahweh, the way of those days of old?

Beware. They will lead you to the lake of fire, those who say that King Jesus isn't Yahweh, the real God I AM. Beware. You will not get healed by giving. Stay away from those who tell you to give a seed to gain anything from Me. Yahweh is self-standing. I can weigh a human and determine whether I will heal that person at that moment or wait till in the eternal placing.

Yahweh is ready to judge. Do not look at Me as only love. I will weigh every church. I will bring great destruction. There will be a begging for a taste of My presence. And I will bring real judges into this current way and will build them to say My Word. The building up of these judges is to strip them of their selfish urgings and build them for service. They will love My written Word. They will stand with Me and hold nothing back.

It's time to bring judgment. Repent. Turn from wicked living. Seek first My way, My Kingdom, My righteousness. Repent. I will weigh each church. And the charismatics and the cessationists are both in error. And all these separate Church living ways are a painful way in My seeing. I have issues with these two groups and others.

I will not bend to a human way of gauging Yahweh. Yahweh is not a God of logic but a God who yields Truth. Are you on My side or standing with your human logic? Are you standing with Yahweh? How do you show that? Stand up for holiness. Stand up for righteousness. Stand up for Yahweh's way of living today but do it with clean hands and a pure heart.

I am bringing judgment. Do not think I will spare you due to your great human following. Do not think you will escape due to you leading any congregation. I will not have any favorites. All have sinned, and all fall short of My glory. Yahweh is bringing forward a new power way, and there will be backing. Be ready; for in the hour that you think not. There must be a weighing. Judgment must come into the house first. The world is already heading to destruction.

THE PROPHET: MORE THAN AN ADMINISTRATION

A Brief Teaching on Office Placements

July 8, 2023

11:59 a.m.

YAHWEH LEADS IT:

They are not in an understanding. They look at prophets as if they are in a pastor or evangelist placing. But where does it say it—that being a prophet is a administrative placement? In Scripture, point it to Me. You can't point it out.

The PASTOR OFFICE is geared to be the male in the leadership placement to move in agreement with how Paul set up the churches. He viewed how the household is governed AFTER THE FALL and made a house church to have the same layout with a male figure over the church house gathering.

Please read the message "To All of My Churches" for a clear view of the curse placement and the woman's lowering in governing assignments (unless Kingdom order overrules the current way). The woman is in a cursed position and cannot stand in governing over the man in church matters UNLESS KINGDOM ORDER RAISES A WOMAN TO A GOVERNING HEADSHIP, such as with Deborah in the days of old. After the fall, the husband-and-wife household had the male as the head; and so, Paul took this same approach (based on a spoken curse from the Garden of Eden) and placed the male gender as the Pastor, headship of the church house, to yield a resemblance to the husband-and-wife placing under a curse.

I will not overrule it and give women a place to lead in the Pastor placement, BUT women are given a placement to speak in churches. HOW SO? Who can give prophecy in My churches? Men and women. And wouldn't that saying from Yahweh make it so women can lead within a prophetic placement? Would I give a lowered plan when a woman has heard from Me? No, I wouldn't speak in a lesser way with having women yielding out My powerful way. Why can't a woman be in a PASTOR OFFICE? The ROLE is geared to follow a curse, where the woman is lowered in governing. But no curse is in the Kingdom.

But the Church era still deals with curses due to living in a fallen world set up in natural time. The Kingdom is outside of natural time. Yahweh isn't bound to time except when bringing messages from His placing to have them manifest in natural living.

So, DURING THE CHURCH ERA, I still stand with Paul. But I will allow men and women to give Me honor and speak My will. (Extended notes on this plan will come in a structured teaching on women pastors and prophets.)

Now, the PROPHET OFFICE is not a task-driven placement that carries little seeing or general prophetic ways. Here I refer to the OFFICE GIFT given out in similar ways as in the days of old when I put My Spirit upon a person, set them apart, and made them turn into that placing. Today, for any prophet to take in the OFFICE PLACEMENT, Yahweh must enable a person to hear and see in set apart ways from the culture, with no hindering from any curse or under a filtered drinking, like how the general Church covering under the Great Holy Spirit makes every follower hear Me. That means every prophet, regardless of their time of living, needs to have a way to engage Me without any hindrance.

No curse, current order, or established surgings will hinder the message in Yahweh. The people of the current era drink a filtered way to hear Yahweh. And I would need to remove that prophet from the order of the day (rules, traditions, regulations, curses, etc.) and install into that servant the enablement to hear, with a spiritual chain tethered to Yahweh, within, by office placement and backing covenant, where they cannot leave Me in their hearing and seeing. That means they live a prophet's life twenty-four hours a day, unable to remove the duties and place them to the side as a regular church leader would.

Understanding that there is a continual getting from Yahweh is why the PROPHET OFFICE is not an administrative (one day a week), paperwork pushing way (9 to 5 regular job) due to how I am tethered. Church leaders or other office placements are not required to hear and see Kingdom ways and engage Yahweh within His council sessions whenever He yields it twenty-four hours a day. I need to give a message through a prophet in the day or evening.

There is a real surging to stay with Me in this difficult way of hearing and seeing. I can remove a real prophet from office placement if they rebel against My will and do what they prefer continually, but to remove them, I would need to strip them of continual hearing and seeing and remove their ability to engage Me in the less filtered way. And prophets who cannot hear Me will pretend to do so or use Satan's outlets, including demons, familiar spirits, and psychics, to give an impression that they still have Yahweh's ear.

These "PROPHETS" of today are giving a dim seeing. They fumble around in their way of understanding, hoping that their goosebump feelings led by hyped ways will make Me do what they think, what they feel, or hear others say. They speak out of their cravings to be heard and viewed as someone important. They crave the people to worship them with high praises. They feel led, but they do not hear Me word-for-word. They hope to get it correct. They hope their feelings prove accurate, but hearing Yahweh speak is not feeling-based. Yahweh is talking within and doesn't wait on your feelings.

Note that Yahweh doesn't mainly speak in audible ways, even with prophets. He makes His speaking clear to understand. Instead of guessing what Yahweh wants based on the environment or how the music makes you feel, Yahweh would say what He is thinking. Some people go on a hunch of what Yahweh might be saying but do not actually hear Him say any words. They get caught up in the music or what they think Yahweh might say at that moment based on their human reasoning.

Yahweh's prophets drink Yahweh in a less filtered (or veiled) way than the Church Body. Yahweh literally changes the prophet—their spirit—in similar placements as changing a person's DNA. But a spiritual makeover happens. The person begins to deal with more spiritual engagements. The way of hearing and seeing is led by the Great Holy Spirit, not by faith, at will, or based on hype. Yahweh imparts within a prophet the ability to drink specific traits that enable them to carry out the office function. To say a person is a prophet is to say they have taken on spiritual changes to be under the work yielding Yahweh's licenses.

No administrative office takes in spiritual changes in this way. A Prophet is not going to give the people their interpretation of Scripture as a main way to give Yahweh's will. Rather, prophets are under Kingdom order to REPEAT Yahweh's written and spoken word.

A prophet must be stripped of selfish ways and prepared in a spiritual cave. Yahweh must deal with any servant that He yields forward and takes them through seasons of learning their mantle. Each prophet receives a license to work in their sphere after being proven to stand firm with Yahweh. A novice servant is NOT a released way. And Yahweh WILL NOT back a cave servant when hidden.

For clarity, a reformation prophet carries similar traits as Jeremiah, a prophet of old, tearing down the former way and rebuilding a new order. No prophet is released for work duty without first being a novice.

Yahweh calls you, activates your prophet's way of engaging with spiritual outlets, and starts novice training for a season. It's a testing season to break the prophet and yield them into a submitting servant who will yield to Yahweh's will and not bend to people-pleasing.

Learning to have a holy fear of Yahweh over a people-pleasing fear of the human is a critical character standing. The prophet must not put a human in a placement of honor over Yahweh. Yahweh will make you drink spiritual tests to see where you stand. And you will have enemies when you give Yahweh's will to the people. When thinking of a prophet, see a person who has taken on changes in their way of seeing and hearing and will be attached to Me with a "chains of service" plan. You see how they give prophetic sayings. They say what they want and add My name to what they think. But look at it and see a clearer way:

- I say the plan, and the prophet hears Me.
- Then the prophet says or gives (delivers) My will to the intended hearer.
- I spoke the message FIRST. A servant only REPEATS it. Since I want it spoken, I choose to back it.

Ultimately, the original message stems from Yahweh and isn't filtered or separated based on the prophet's gender. I do not look at a gender reproductive organ and then say I give you the female title that people say should work for females (prophetess) drinking the prophet surging. Within Yahweh, I yield one stream of prophet traits. Look at how the OFFICE GIFTS are displayed. Write them from the Scripture.

(11) And He gave the apostles, the prophets, the evangelists, the shepherds and teachers, (12) to equip the saints for the work of ministry, for building up the Body of Christ, (13) until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ, (14) so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes.

—Ephesians 4:11-14 ESV

YAHWEH CONTINUES:

I see FIVE OFFICE PLACEMENTS, novice readers. Why do I say it isn't four? Where would a woman lead in a TEACHING OFFICE placement if there is a combined way with a Pastor office? Think clearly, and do not strip women of Kingdom office leading. But is there a split with the Prophet way? No. The office is joined to Yahweh, and the male and female genders drink equally from the same surging GIFT. Where do I break up and bring a layering effect to the Prophet office? It's within their work duties (spheres). Every prophet is not called to the nations, nor will every prophet have world-level drinking to do within the Kingdom. Stay in your work placement to keep from out-of-order speaking.

A real prophet who isn't in the way of hiddenness in the spiritual cave has licenses from Yahweh with a covenant ability to get My attention with an INVOKING action. They have proven their loyal staying and entered into real world work with a RELEASE FROM ME. And there will be a plan to speak to Me, praying for a plan to be reviewed, ASKING Me for intervention, and I will weigh it and answer according to having MY will entered into natural living. These fake prophets give "declaring and decreeing," lacking any real spiritual backing and having a spirit-led plan with demons. Yet they say, "God, bring me a person in this president's office." I did not tell them to pray that prayer, nor did I FIRST say it.

And there are council sessions in Yahweh where I share a negotiation plan, with an intent to weigh the outlets of which way to take on. A council plan isn't necessarily a Kingdom order being pushed. A person who only yields to the gift of prophecy will not be guaranteed the enablement to get My ear and invoke prophet placing. An office prophet can walk in the Great Holy Spirit's gifts, but the reverse is not given mandatorily. They say they are prophets, but they do not hear Me. They feel an unction, but prophetic placings are not OFFICE-LEVEL TRAITS, stemming from changes made within a person's spirit to engage Yahweh with lighter levels of hindering.

An active released prophet is dangerous to come against, for Yahweh places up a special guard to keep the servant safe until the ordered message is delivered. Within seersgate is a message to give into the earth, the Age of the Antichrist. A world-level prophet is needed to give MY MESSAGE that shapes the whole world. I already gave it, and the servant started yielding it into the world, but she wasn't released—a novice servant, giving out world-level messages to drink great rejection by being ignored. And I say to this servant, well done, good and faithful servant. We cannot keep you in this waiting season. Let's break off all old ways and bring forward the active world-level work on the eleventh.

A person is not a major or minor prophet based on the amount of reading material yielded from their work. A servant is given a workload (or sphere to influence) and duties based on the LEVEL OF THE MESSAGE (The "level" means how many territories and people groups are influenced under the weight of Yahweh's plan).

What duties and level of speaking does the prophet carry in their mantle, even if speaking one message in their office work? That level of the message and the sphere it's meant to influence determines the prophet's training time frame and the sent spiritual engagement level of required preparation under Yahweh's hand. The surging of the message determines the backing of angels in the ANGELIC GUARD WATCHING OVER MY WORD in the prophet. The greater the message in influence, the greater and larger the angelic backing to lead in Yahweh's service.

(The teaching ends. Return to a major message.)

I am pushing forward great judgments within the churches. There will now be a weighing. There will be a recording of how the churches serve Me—YAHWEH. I will view them and take worldly outlets to yield destruction to break down these lowercase humans who say they are lowercase gods. I will sweep through My churches that say they are Mine and do some spiritual house casualties to save the remnant.

Nothing will bring destruction within the true follower of King Jesus. Stay away from those who say King Jesus isn't the Way, the Truth, and the Life. Stay away from preachers who say to give money to get healing, wealth, and a relationship with Me. Come into the Kingdom through repentance. Bring Me clean hands and a pure heart. Worship Me in Spirit and in truth. Please understand; I cannot get rid of prophetic placings. I am literally holding up the world with My spoken word, A PROPHET TRAIT.
