

THE MENTOR IS JUDGED

December 4, 2022

11:18 p.m.

YAHWEH IS LEADING:

No one can change a judgment when Yahweh says it's done. No one can bring a new will that overrules what Yahweh gives. "She is going to burn in Hell for all of eternity." Is that how I should word it? Or should I say that her torment will go up for all eternity? Yes, she will be in torment for all of eternity, and I will watch her in that torment. And I will say it is a fair judgment.

A world-level prophet, given a work as if a prophet of old, was purposely pursued to be killed. From her heart, this woman purposed to kill a prophet, but she did not carry out the act out of fear of the government system. But not just once; multiple times per day, she thought about how she could harm My servant, not correct her doctrine, not tell her there were questions. But literally to kill and take away from living. How much hatred can be within a person to want to push harm, a way of natural death, on a person who says things they do not like?

Woe, woe, woe. No one can beg Me to let her live. No one can atone for her. What does it mean to blaspheme? Servant, give them My definition as given in *The Altar*.

SEPTEMBER 17, 2010

SUSANNA: Lord, what does it mean to blaspheme the Great Holy Spirit?

YAHWEH: It is taking My work and accounting it as Satan's work. It is denying My power, My work in something. It is resisting Me and failing to accept Jesus as Lord. The Kingdom of God cannot be seen, Susanna. It is all done in the spirit realm. One must be born again to see this Kingdom. Without this new birth, one cannot be born into the Body of Christ. It is the Spirit that baptizes one into the Body, and if you choose to deny the work of God and His free gift of salvation, where else can you go? What hope is there without Christ? The Great Holy Spirit is the Spirit of Christ, and without the Spirit, one is not His.

YAHWEH CONTINUES:

Can you get her out? You, the mentor who shaped her to hate a world-level prophet. You made her. You created her. How did you "create" her? You created her to hate for you. You shaped her through manipulation. You made a servant come across as the vilest person ever to live. You will not be free from this. Your torment will be great while living. I want to take you from this earth, but I only withhold from that death sentence so you can see the fullness of My word, the making of a seersgate, one who will preach the Kingdom and prepare the world for the return of Christ.

Your punishment is that you will never be able to be with her. I will never grant you a moment alone with her. And if you are ever near her, I will have My servant leave, for you have caused your student an eternity without Me. You shaped her to hate. You shaped her to purpose in her heart to kill. But not just any. You wanted to harm a prophet, and you used her as your straightener, thinking I would not judge you. But I warned you. For how many years did I warn you? Many. Many. This is what that verse means. It means, do not do any purposed physical harm against My servants, where you want to take them from earthly living. You are guilty, and the judgment that I give is just.
