## **YAHWEH SAYS IT:**

Seersgate, share from Yahweh's way.

How can anyone say the Bible has real ways of telling the truth? Is anyone living today from the former days? There isn't any Biblical writer from the former days still living. And with no original writer living today, is that proof that what is written is fake? What took place with Sodom and Gomorrah? Would you believe Yahweh if We said you live in a day in natural time with people taking on even worse traits than in the days Abraham walked the earth? But what makes it a worse plan? The people want to bring a definitive way that Yahweh did not grant. They want an erasing of what Scripture states.

Let Me take you through an understanding of Sodom and Gomorrah: they were filled with a legion of demons with despicable traits that came up to My Heaven and invaded My way of seeing the work I gave into the earth. They wanted to drink in many vile sins and did not give honor to their Creator. They even wanted to sleep with My angels who came into the city clothed in human male presentation. But is that the reason Yahweh brought destruction upon their living? And what is keeping Yahweh from having the nations drink great punishment in your era of natural living?

And their sin was indeed grave. Exceedingly grave. So grave is the sin mentioned in the Genesis presentation that I could not let it continue. But what would be the reason I would not bring great punishment in your day in a quick way? Is it based on tolerating sin? Is it based on having grace lead? Is it the "letting heavy sin lead" due to being in the Church era? What is the real reason why heavy sin is so rampant in your day? Heavy sin

is rampant today because it is presented in Scripture and brought forward into natural living. The way the people are was spoken in Scripture and is now coming to the surface.

(3) As He sat on the Mount of Olives, the disciples came to Him privately, saying, "Tell us, when will these things be, and what will be the sign of Your coming and of the end of the age?" (4) And Jesus answered them, "See that no one leads you astray. (5) For many will come in My name, saying, 'I am the Christ,' and they will lead many astray. (6) And you will hear of wars and rumors of wars. See that you are not alarmed, for this must take place, but the end is not yet. (7) For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places. (8) All these are but the beginning of the birth pains. (9) "Then they will deliver you up to tribulation and put you to death, and you will be hated by all nations for My name's sake. (10) And then many will fall away and betray one another and hate one another. (11) And many false prophets will arise and lead many astray. (12) And because lawlessness will be increased, the love of many will grow cold. (13) But the one who endures to the end will be saved. (14) And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come.

—Matthew 24:3-14 ESV

### **YAHWEH IS STILL SPEAKING:**

Look at how it must be before the end. The end, before My return, will carry certain markers. Why pray for daily deliverance if you could not be swept within the lawlessness? "Deliver us from evil or the evil one" is a daily prayer petition. Don't pretend there is no placement to be lukewarm and fall away, returning to that old way.

And they pretend they know all wisdom due to being a respected religious leader of the day. Woe. Woe. Woe. The church leaders are just as internally blind, following Paul's way

to the letter of the law, not willing to see how he took the building up plan producing outlets using a Pharisee structure. Yes, I gave him permission to build outlets with heavy law-based traits pertaining to governing; I could not make him turn against his full upbringing.

Why do you think Paul used tradition to sway the people? Paul understood that a person's citizenship and genetic makeup were a status placement. And so, along with the setting up of the church structure, men were placed in a higher standing than a woman—due to a curse. And that way of placement stemmed from the fall; that's when I placed a woman under submission with a curse to be maintained under her head-of-house plan when dealing with a husband in married placement.

Pay close attention. There were no curses before the rebellion (fall) in the garden of Eden. There were no curses when Adam and Eve first dwelled there. And in My Biblical account, the male was taken out of the dirt and formed, and the woman came out of the man. I took a piece of the man and made a companion, not a slave, for Adam needed a helper. Two genders came into existence based on Yahweh bringing them into natural ways. To bring them into natural ways is to say I needed natural matter to give them a visible presentation.

But only Scripture says it, the making of two genders. How can there be an erasing of how matter took shape, how I made Adam and Eve, and how I gave a working solar system? How can a person's "wants and cravings" erase standing proof? Easy. A debased mind takes on whatever placement they feel is the better way.

So, what was I looking for when I came and viewed Sodom and Gomorrah? Was I counting up all the wicked-acting people, or was I looking at the count of those viewed as righteous? How could anyone be considered righteous when the blood of Jesus was not shed yet? This note should make people see; there was a way into paradise (a place of residing after death) before the shedding of the sin-free blood of King Jesus.

But let's take a look at what nature counteracts evil: Yahweh's nature. The blood of King Jesus upon the souls of those who are His, true Kingdom citizens, living in the wicked-filled cities is able to overrule. Where are those who will say Yahweh's will is truly the best way? Can the righteous defeat wickedness or Satan with picketing? Is it by living just the same way as those who are wicked? A real counteraction is with Yahweh's blood.

Let's take a look at what a woman is: any fully made outside appearing way that has an organ to hold the male within.

The woman has a shaped hole that is able to surround the male plan, purposed for sexual engagement and procreation. Same-sex fondling will not carry the organs to compliment. And even if a fully made woman loses her sexual place to hold the male, she is still in the grouping of "woman" due to the makeup in her DNA.

And how a woman's body takes on characteristic traits of a female presentation will tend to bring her forward as "female." Certain traits stem within males, and other traits stem within females. If that truth were not so, then men who are trying to become women would not go through the traits of adding breasts and changing their voice or chipping off bone to give a "feminine" look.

To say it another way, women carry certain traits and markers that are different than men. If women did not have a (standardized) presentation with certain attributes, the men aiming to be women would stay looking as their original plan, what they had, before they thought of changing what they looked like, and would not feel the need to take on female traits. So, in the real way of society, people wearing dresses and putting on fake breasts, and wearing wigs are aiming to define a woman based on what is on their flesh and not what is cut within the flesh (or genetic makeup). Just as a woman putting on pants does not change her gender, what would make a male change his gender by wearing a garment?

The craving to be what is not in a human's original standing is not the greatest wickedness. What is? The erasing of what Yahweh says—that is what Yahweh looks at. There are many people struggling with sinful cravings that have no bearing on having sex with anyone. Some who are wicked tell many evil, manipulative sayings. Some wicked persons steal. Some would commit adultery, fornication, or watch pornography. Even being a coward is wicked, or wickedness is being a drunkard.

What is Yahweh (I AM) looking for? He is looking to see if anyone stands with His Word and honors Him as the One True God.

And here, the people want to take in Satan's traits and say, "Did Yahweh really say that? Shouldn't Yahweh be tolerant of everyone and let the people do what they want?" But if you are dealing with a real God who has a plan of redemption, shouldn't the God who is the Creator give a standard as to what brings honor to Him?

What should the Christian do, living in a wicked way in cities filled with wicked behavior? Choose this day who you will submit to. Are you going to say that whatever Yahweh says should be changed to fit what the people are saying is right, or should the Christian take a look at Yahweh's traits and look at what pleases Me, bringing honor to the Great I AM? What is the Christian to do? Stand with Yahweh in conviction while praying for your governmental leaders. Do not sin. Take away the "evolving with the popular way" in worldly living. Say that even if the world chooses Satan's way, you will say Yahweh's way is your plan.

I could have wiped billions of wicked-living people from the earth. But I am waiting a little while longer.

Do not debate a debased person. There will only be an awakening in that person if they heard a warning from My mouth, just as you did. Seersgate, remember the pit you were pacing in the Hell? The dream that came shook you. And We gave two other ways of engaging you through warning you of your evil wicked ways. And there was a way to

have you wake from the debased placing: showing you your real future if you stayed away and in an abased living placement; that broke you, and you begged for real freedom. You made great income but not in pleasing ways you were living. And headed to the pit in the Hell was your path.

What about other debased persons? What will make the people shake out of their debased ways as a way of "last call" to come into My Kingdom? Will it be by debating on social media? Will they look to the Gospel and King Jesus if there are many posts of Scriptures and "love" graphics? What will make the people break within? A real encounter.

You heard the Gospel throughout your way of living, yet you didn't break. You needed the encounter. And there is a calling to come into the Kingdom, but will they listen if even churches are split over the way to live? Churches are splitting from their denominations. They break from Biblical doctrine to feel they can win a great harvest by telling the people they can stay wicked. Woe. Woe. Woe.

## **LOOK AT WHAT IS COMING**

### **YAHWEH IS STILL LEADING:**

Are you brave in your way to telling the people that there will be great power pushed out into the earth to bring an awareness to Kingdom living? Are you willing to say that street ministry, raising the dead, growing back limbs, and bringing forth organs are the coming traits of the new way? Will you let Me bring a real seersgate forward who is willing to take away the old living to bring the people great healing rooms? The cities will take on action against a person who strips them of their millions earned in hospital care and employment. How will you keep the economy from collapsing? That is why a tester nation must be yielded in this new way before launching out into the world.

No one can declare and bring this will forward with their words. There is only one real God; Yahweh is His name. There is to be a great soul harvest, but angels will be the main

gathering way. No local church will hold this power; this is Yahweh bringing back a form of meeting place where people will hear the Written Word, turn from their wicked way, and enter potent surgings just as if living in the days of David and Solomon and Elijah.

Woe to the wicked ones who are mocking King Jesus: stay away; instant judgment stems from this level of work.

We are calling the workers to come forward. Don't be afraid.
