

YAHWEH HAS PROPHETS

December 3, 2023

YAHWEH SAYS IT:

Who can say they know the mind of Yahweh without talking with the Great Holy Spirit? Who can pen any writing with their human feelings and expect Me to come and back that? I give My plan in My written Word, yet I still engage the created. I will have words and messages of negotiation, planning, and power changes to bring a Kingdom plan forward. The sealing off of canon ways did not say that there could be no further way Yahweh would have a leading. Even in the Book of Revelation, My prophets are still yet to come. Are they false due to the canon being shut up by human leaders?
