

Letter Five: Scapegoat Kanye

March 19, 2024

4:50 p.m.

YAHWEH IS TALKING WITH KANYE:

So many people would say you are not a Christian. I do know where you really stand with Me in a “Christian” form of living. Doing lots of church-based works, activities, plays, and music will not declare a person is now living how We want them. What is Yahweh’s way for the people? Yahweh is looking for clean hands and a pure heart. That will get My attention, how you seek after Me, My Kingdom, first.

Here is where Yahweh will speak to you in a plain way, not as if you are seasoned and living in a sanctified way. I will say this to you: We (Yahweh) are able to have a real relationship with you even if there is no hearing and seeing in spiritual ways. That means I am still near, whether you hear Me or see spiritual ways. Yahweh is still looking at your way even when you do not hear Him say anything. Kanye, you want Me to think differently than the Christians you deal with. I will. I do. Prayer is not going to give you the way of engagement as if you deal with Satan.

Now, why would I take this moment to tell you these things? No one has any living proof of Yahweh’s ability to have conversations with His created human beings. Why would Yahweh take a moment to show you that others feel the pain of rejection from the churches just as you do? What point would there be? Yahweh loves the sinner and will not show favoritism. What could come out of sharing this note? Those who feel pain are in My view. In no way is it a priority to gain your direct way of engagement from this letter. I place you as a scapegoat so that others who walk in your footsteps under your influence will turn and drink from our way.

Kanye, there is a way of wanting you to know that how they treated you was unacceptable. The problem with being a public figure is that the hidden ones can throw their opinion concerning your way without seeing that all of My sinners who come for a new way need others who can give them a plan of help and spiritual support. The churches already judged you from your moment of saying, "Yes, I will give God a chance." The covering of the Christian in name covers a broad stroke of religions and beliefs. And anyone coming into the covering of a Christian label will have to study what being a real Christian is all about. How about I make a few points concrete:

- King Jesus is the only way to eternal living.
- All have sinned. All are in need of a Savior.
- To be a real Christian is to kneel within, forsaking all others (including yourself) as your lowercase god.

Turning away from sinful living—it isn't rooted in willpower. To turn away from sinful living needs a powerful God to bring a cleansing within. In the way of saving the soul, the Great Holy Spirit comes and brings a rejuvenation and regeneration. The Great Holy Spirit brings spiritual life through Christ. The Great Holy Spirit turns your way of living and moving within, making you a new creation. Eternity with Yahweh leads within through Christ being connected to you, giving you living waters.

Now, here is what you were not prepared for: the constant judgment of the churches, saying you were not a real Christian based on various dealings, and you were in association with people who had a tainted view. See how Yahweh views people by looking at their hearts. But church people think that upon conversion, you would drop every old habit and live as if you have been a Christian for many years. They forget how hard the early season was and make it seem as if they came forward knowing heavy ways of Scripture, doctrine, and having the nature of Christ permeating their every plan. What if they had a different approach and sought to help you? What if they stood by you and

offered to help you in your journey, mentor you, and pray for your way? Would that have made you not hate Me in this moment?

You hate Me because of how they treated you. And now you have turned away from the early days of dealing with the churches. Some of the most opinionated and judgmental people are in churches, and they fail to recall when they first came to King Jesus. Hypocritical. And it caused you a real love that could have endured through death.

What would I say to those who are in your way of feeling? I would look at them with compassion and say, "I am the Bread of life."

(35) Then Jesus declared, "I am the Bread of life. Whoever comes to Me will never go hungry, and whoever believes in Me will never be thirsty. (36) But as I told you, you have seen Me and still you do not believe. (37) All those the Father gives Me will come to Me, and whoever comes to Me I will never drive away. (38) For I have come down from heaven not to do My will but to do the will of Him who sent Me. (39) And this is the will of Him who sent Me, that I shall lose none of all those He has given Me, but raise them up at the last day. (40) For My Father's will is that everyone who looks to the Son and believes in Him shall have eternal life, and I will raise them up at the last day."

— John 6:35-40 NIV

YAHWEH CONTINUES:

What is love, Kanye? What is actual love? If I love you, wouldn't I warn you of what is to come? I am Yahweh, a Judge, a powerful King, and I will one day come back and bring judgment. Take a moment to see. Real love—it can be displayed in giving correction, adjustment, judgment, and bringing governing order. I yield real love by telling you that

I am the One who can heal you from the painful ways of rejection. I also warn you of a judgment yet to come.

There are those who stand up for Yahweh's way and will not cater to your status or reputation. There are servants who will say the real truth in love, solely to move in offering reconciliation, not cowardly bending to say what makes you feel better. I love you as a soul who needs warning, a soul who needs reconciliation. The people would not feel good if their salvation story and conversion were on display for critics to weigh and judge and give their opinion of whether they are real Christians living in the ways of Yahweh's Kingdom. Don't stand with others due to how they have influence with man. Stand with the ones who have covenant surgings with Yahweh.

SEERSGATE SAYS THIS:

Please hear Yahweh's warning. Repent. Turn away from sinful living. Seek Yahweh. Give your hurting way to Him. Ask Him for your heart's healing. Say to Yahweh, "Create in me a clean heart, and renew the right spirit within me."

YAHWEH IS NOW SPEAKING:

The people's painful verbal examination and interrogation of your spiritual walk with Yahweh was a heavy burden to handle. And they were not willing to give you a chance to walk out the new power way. Here is My statement to you: I am not going anywhere.
