

# **AFRAID TO BE GAY: A NOTE FROM YAHWEH'S WAY**

January 25, 2023

11:44 p.m.

## **SEERSGATE IS LEADING:**

Let's take a look at this at a distance. What would your heart say if you were told you would burn in the Hell for all eternity because of who you fell in love with? This concept of love varies within a people group, and loving others would have a filtered presentation based on woundedness and experiences in one's life.

Every human has dealt with some form of painful action. But how can anyone stand with a God who doesn't give favorites a place in the Heaven? What kind of God makes up these rules? Is it because the written Word came forward so long ago and is no longer influential?

## **YAHWEH IS LEADING:**

Who can say you know Yahweh? Would having a feeling of warm fuzziness say that Yahweh gives real love and will accept you the way you are? "Come as you are." But does that saying mean to stay in the former placement, buried under the sinful way? What does the Godhead expect? Clean hands and a pure heart. But can a human clean themselves based on their own feelings? Or would a real God need to give a way to engage Him with an understanding that Yahweh will not bend to any human?

What is your version of God? Do you want Yahweh to give you anything you feel is good? But who would gauge how the way enters? Who would make a standing point and say that their understanding of the written Word is accurate? Yahweh made it plain that the general Christian church gathering would not be able to engage Me in conversations. But

they do pretend they hear and see. They get an “I feel that God is saying” and bring a full message forward to bring real deceiving ways.

Why are there so many splits in church doctrine? It’s plain that there are no early church sign gifts pushing. If sign gifts were real in today’s church gatherings, every church would come under order to drink what comes from the current operating sign gift. Where is the governing? Who is the leader under Christ? And why isn’t this leader stating My will?

Here is a real fear: What if the Bible really is TRUTH? What if there is a real CREATOR? And what if this truth-speaking Creator has a “House Rules” way of maintaining His governing? If natural kids act up and break rules, does the government or the parents take in how the kids behave and show fake love by bending to the action to act out just as the rebellious kids? When someone breaks the rules, should the governing authority break the rules with the guilty party? Is it real love to give a person what they feel will make them feel included?

I will not be able to take in how the sinful way lives. I wouldn’t be able to take in sin and bring in fake love. With a real Creator, there is no yielding to a nature that counteracts My way.

Look at God in understanding. Did My nature change in the Old and New Testaments? Did a different God come forward and bring love? I will make it plain. The same Yahweh is at the beginning of the written Scriptures and in the very last canonized book of Revelation. I get angry, still, but there is no instant punishment within the Church era. There are still judgments, but the current group of churches feels there is no need to warn those who are in sinful living. When will Yahweh tally up what is carried on during this Church era? At the way of resurrections. Put the one pertaining to the second way right here. Use a simple way.

(11) And I saw a great white throne and the One sitting on it. The earth and sky fled from His presence, but they found no place to hide. (12) I saw

the dead, both great and small, standing before God's throne. And the books were opened, including the Book of Life. And the dead were judged according to what they had done, as recorded in the books. (13) The sea gave up its dead, and death and the grave gave up their dead. And all were judged according to their deeds. (14) Then death and the grave were thrown into the lake of fire. This lake of fire is the second death. (15) And anyone whose name was not found recorded in the Book of Life was thrown into the lake of fire.

—Revelation 20:11-15 NLT

### **YAHWEH CONTINUES:**

I am writing down the way you carry yourself. I look at how you lived. And all were judged according to their deeds—this pertains to the second resurrection. Can you see it? I am weighing everyone.

Can anyone give real proof that Yahweh is real? What level of sign gift would prove Yahweh is real? With sign gifts, they are not able to be grouped in with general office gifts. Sign gifts do not take on the resemblance of regular office placement, nor would every seeing servant walk within the seeing range of world-level prophets. Only one world-level prophet is given in any time frame. Will there need to be sign gifts to shape how the Church should be?

Within all of these doctrines, how would anyone have real proof that they are hearing the true way? There must be an actual connection, not by a statement of following Christian ways of look and presentation and choosing not to take in Yahweh as the True God. Let Me make it plain, servant. Tell the people: There will not be a plan of coming into the Kingdom of God through human love and human deeds. No work plan can save anyone. Love is not void of following rules. But who gives them the will to obey? So, the foundation of faith has now stripped away from the people, and they do not show honor to the One who gave them their breath and life to live. They deny My hand in the creative work and

would turn to inner worship as their saving way. And so, I turn them over to do what they feel. Women going for women, and men going for men. Lust towards the one that is not Yahweh's plan.

But how could their craving feel as real? You say your heart plan, servant.

### **SEERSGATE SHARES A WOMAN'S LIFE:**

A woman dealt with sexual, physical, emotional, and spiritual abuse from a young age. And in the torment of abuse, there were visions of God and engagement with spirit beings. This woman dealt with a first husband and dabbled in many sinful acts. But the woman did not crave same-sex attraction that could make her want to be with a woman over a man.

This woman had threesomes and foursomes that did not include her married husband, but I know he would not have been upset. So, the woman wanted to have a way to take from others and make her be more important. Over time, after the first husband asked her for a divorce, and when the woman went to look for a place for her and her children to live, her heart became darkened.

Her first husband deceived her and made a claim that she abandoned her children when he truly told her to get a place to live and come back for them. Then he and his former girlfriend—they spread rumors of how she abandoned her children. But no one took into account that there was Someone else in the bedroom when the husband said to go and find a place to live.

But Yahweh did not give the woman back her children when they were young. Yahweh fulfilled His vow and gave the woman a motherly role with her children many years later when they were grown up. What do the lying and the loss of that woman's children have to do with a life of sinful pleasure? What if that woman, who was only heterosexual, broke down within and claimed early heartbreak and went and tried to cause destruction?

What if pornography was the start? Would a woman come back to the altar and beg for forgiveness? Not enough has gone wrong yet. Then the woman went into sexual favors, experimental acts, giving out pleasure to others by having them view bad things. Was that enough of a turning from God and spitting on what Yahweh gave? No, not for that woman. Hatred for men due to her painful way with her ex-husband led her to try and gain attention with scantily clad outfits.

There was a man this woman experimented with who ate her human waste in front of her at a close distance. At that moment, there was a breaking in her, and her true way of innocence was no longer. A joining in covenant with a demon-filled man put her in painful chains. And this woman, for over twenty-five years, has memories of sexual trauma that would not go without her thoughts being wiped away.

What covenant gave her a craving to dabble in the deep ways of the sexual demonic? Her yielding within to say that what was taking place was not wrong. The action of watching and letting the demon-filled sin become her **entertainment** opened up a doorway for a transfer of demons, which also gave her a craving to fondle a woman.

Here I will say that this woman had knowledge of what the Bible said. That woman had visions and dreams from Yahweh. That woman had conversations with Yahweh, but her spirit was dead, and her flesh begged for a filling of sinful living. **Her doorway to starting experimenting was because of heartbreak and trauma.** And the demon filling and transfer came from entertaining a man who ate her human waste. The greatest transfer of demons comes at the eating of human waste. But how does telling that woman's painful story help others? They can look at when they had trauma and look at when their nature started to turn and embrace actions contrary to their firm way of Christian culture and upbringing.

What did Yahweh do? Even with verbal warnings, the woman became under a major influence of demons. Her heart had an understanding that there was a possibility of being

damned to the Hell, and this woman was afraid to die. And the woman gave God fake vows, hoping to live the way of a sex addict for a few more months. The woman couldn't get enough sex with her husband and craved books, videos, and clubs.

With the constant touch of strangers, more trauma came. And the woman had a split, her own way of coping and cutting off all emotional ties. For in her heart, she said, "What kind of God would let me live like this and not rescue me? How could God love me and not break off these painful plans? How could I have real love when God is not showing me His love?"

### **YAHWEH SAYS:**

Good, servant. Let Me say My will.

In the life of every person, they have a knowledge of good and evil. That is the result of the fall of Adam and Eve eating of the tree with the forbidden fruit. But I do not make anyone take in My already given way of eternal living. But the people want Me to bend and take them with their sinful living and say it is okay to stay in that old way. But that is not the point.

Reconciliation with God gives a place within to become a new creature. The old way will go, and a new way will come forward.

What is the plan of redemption? There must be a new plan. But the people say that the love for the same gender came within when they were little. Why is that? What took way when you were little, dear reader? And have you entered into painful experiences in the early young twenties or later? What power comes and takes ownership?

How come some are taking off their breasts and cutting off male organs so they can think they are going to be their full self? But what will bring fulfillment? Weighing your truth,

but not based on how the way you go feels good but rather how good the plan is in a governing way.

“My body is under my governing.”

That is what they say in a general placement. But could there be a governing plan that is based on a yielding to real TRUTH through a real CREATOR? But then, who gives governing authority that states that what has been written is the real truth? Back when the early church apostles walked the earth, they walked in great sign gifts that made it plain that what they preach is real truth within the new way.

What would be the real proof of a real God still giving out the plan in the Written Word? There is a Great Holy Spirit who is on the Earth. The Great Holy Spirit is a Member of the Godhead. And this Great Spirit brings a covering to all who are under the Kingdom order (those who made a yielding plan with repentance from sin and turning to King Jesus for deliverance). There isn't a church gathering that carries the surging level of a prophet in the Old Testament. There is a general enabling to hear in light ways from illumination by reading the Word of God.

Who can say Yahweh is real, today? Wouldn't there have to be a spiritual engagement? Wouldn't there need to be a touch through the Great Holy Spirit, who gives a calling to repentance through the hearing of the Word of God? But look at today's churches. They remove King Jesus. They do not speak what the Word of Yahweh states in its context. They give fake messages and declaring ways. They do not teach how to pray. They lead the people astray and make them think that they can bring the wealth and material plans forward with a word they pray to their hearing.

But take a look at this. They turn to drink their fillings in their fleshly nature but fear what could be, bringing a defending plan, yielding an open attack against Christianity. Are there other faiths that are against homosexuality? Then why the push to dismantle the way of the Christian core belief?

If you take away WHO is worshipped (King Jesus) and place oneself in that grouping and say, "I give ruling to my craving, and I want my craving to lead me," then you have another god who is not the One True God. You would be turned into your way of craving just as was spoken. Worshipping yourself is a "god" way that dethrones King Jesus.

And if the churches are now saying that what the people feel is better is now the leading way, they have dethroned their One True God and have placed their own lowercase god. I will judge them, these churches that say they follow Yahweh yet let the people rule within.

Here is a very plain placing: Would you be here today if you were living in the days of the thirteen colonies? No. Would you be able to say you were alive during the times of Abraham Lincoln and be alive here now? No. But would you be able to believe in written plans from the early establishment of the United States even though you were not living when they penned the first writings? Yes. You look at how the original document is kept safe. You look at general writings of the first leaders, and you can visit their birth homes. And you respect what they did to bring a unified way to the common states. But you were not living when they lived. Yet you do not need any sign gifts from their way to believe that they gave any rules to submit to. You see the writings. You view what is stated in the Constitution, and you visit where they walked on Earth. And that is a grounding statement to obey.

There is no sect or faction that splits the Constitution and makes it say what they feel it should say. There is a standing agreement between all races and visiting plans that they are to submit to the Constitution. There isn't any debating. There is no "I feel it should say this" and then push your will. There is a defining matter: what it says is plainly what it says. No one can overrule what is written based on their anger or how they feel they should be treated. And so, there are amendments to this original Constitution, governing the current group with means that cater to that placement. But even with amendments, the core nature doesn't change.

What is the core way of Christianity? You must reconcile with Yahweh by taking on redemption by yielding your old way and turning from sin through receiving eternal living in King Jesus. But there have been people living on Earth even before King Jesus walked the earth. Here is what will scare many, saying it: King Jesus always existed, even before the first human, even before creation.

King Jesus took on human flesh to bring healing (salvation) to humanity. King Jesus did not become a human savior. King Jesus always existed through the Godhead. Yahweh is King Jesus. Yahweh is the Father. Yahweh is the Great Holy Spirit. One God. How should We say it to help bring the churches under order? Another teaching will come to bring amending ways with the people.

But now look at this way of standing with a Constitution given many, many years past. The nation stands in this foundation. And there is no living proof that they were living other than what is written or a land people claim that a dead person once lived within. Can you see? There is an even greater way to prove in there being a Creator. The universe declares there is a real Creator. Look at the way and marvel at the human. Would monkeys still live in a monkey suit if they were to evolve within to take on human traits? Would monkeys still be here?

And they say that Christianity should evolve due to the cravings people carry within. But should the Constitution evolve with every president that enters office? Should the leading party have a delegated power that changes its ruling based on if the people like it, how they govern? What stability would the government have if its rules could bend with the public craving? No firm foundation if no stable living came into placement.

How can Christianity stay functioning with sinners who are strongly living against a core placement? How can a church gathering be firm in the faith when they don't follow the writings or visit where the early church leaders gathered? No need to visit a piece of land,

but you can meet with a Godhead Member who gave the original writings, who is STILL here and actively bringing in many souls into the Kingdom.

Can anyone see it? The way of Christian living is not maintained by making a new rule when the way of the public states there should be a change. All throughout the many years, there have been changes. Reformations took way. But yet, the core plan of turning to reconciliation in Yahweh is the way. Put that Scripture here that We show you.

(1) "Don't let your hearts be troubled. Trust in God, and trust also in Me.  
(2) There is more than enough room in My Father's home. If this were not so, would I have told you that I am going to prepare a place for you? (3) When everything is ready, I will come and get you, so that you will always be with Me where I am. (4) And you know the way to where I am going."

(5) "No, we don't know, Lord," Thomas said. "We have no idea where You are going, so how can we know the way?"

(6) Jesus told him, "I am the way, the truth, and the life. No one can come to the Father except through Me. (7) If you had really known Me, you would know who My Father is. From now on, you do know Him and have seen Him!"

(8) Philip said, "Lord, show us the Father, and we will be satisfied."

(9) Jesus replied, "Have I been with you all this time, Philip, and yet you still don't know who I am? Anyone who has seen Me has seen the Father! So why are you asking Me to show Him to you? (10) Don't you believe that I am in the Father and the Father is in Me? The words I speak are not My own, but My Father who lives in Me does His work through Me. (11) Just believe that I am in the Father and the Father is in Me. Or at least believe because of the work you have seen Me do.

(12) "I tell you the truth, anyone who believes in Me will do the same works I have done, and even greater works, because I am going to be with the Father. (13) You can ask for anything in My name, and I will do it, so that the Son can bring glory to the Father. (14) Yes, ask Me for anything in My name, and I will do it!

(15) "If you love Me, obey My commandments. (16) And I will ask the Father, and He will give you another Advocate, who will never leave you. (17) He is the Holy Spirit, who leads into all truth. The world cannot receive Him, because it isn't looking for Him and doesn't recognize Him. But you know Him, because He lives with you now and later will be in you. (18) No, I will not abandon you as orphans—I will come to you. (19) Soon the world will no longer see Me, but you will see Me. Since I live, you also will live. (20) When I am raised to life again, you will know that I am in My Father, and you are in Me, and I am in you. (21) Those who accept My commandments and obey them are the ones who love Me. And because they love Me, My Father will love them. And I will love them and reveal Myself to each of them."

(22) Judas (not Judas Iscariot, but the other disciple with that name) said to Him, "Lord, why are You going to reveal Yourself only to us and not to the world at large?"

(23) Jesus replied, "All who love Me will do what I say. My Father will love them, and We will come and make Our home with each of them. (24) Anyone who doesn't love Me will not obey Me. And remember, My words are not My own. What I am telling you is from the Father who sent Me. (25) I am telling you these things now while I am still with you. (26) But when the Father sends the Advocate as My representative—that is, the Holy

Spirit—He will teach you everything and will remind you of everything I have told you.

(27) “I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don’t be troubled or afraid. (28) Remember what I told you: I am going away, but I will come back to you again. If you really loved Me, you would be happy that I am going to the Father, who is greater than I am. (29) I have told you these things before they happen so that when they do happen, you will believe.

(30) “I don’t have much more time to talk to you, because the ruler of this world approaches. He has no power over Me, (31) but I will do what the Father requires of Me, so that the world will know that I love the Father. Come, let’s be going.

—John 14:1-31 NLT

### **YAHWEH SPEAKS THIS DAY:**

Look at that. Jesus says that He is the only way. But look at who all He states: The Father and the Holy Spirit. All Three Godhead Members are mentioned in this one chapter (John 14) as an example of how all Three work together. There will be explaining of the Godhead. There are three Members of the Godhead, but only One God is given.

“Yes, the Trinity, but only in writings,” some would say. But they do not note that there is the Great Holy Spirit on Earth, bringing a covering over the whole Church.

And this is what is real. But is it a standing order? With Christians using this work of Christianity to give their discernment, there is a halt to spiritual living. And the people break away from the written Word, bringing forward what they feel is better to ease the fear of “what if?”

“If we make ‘god’ the way we think He should love, maybe the fear of ‘what if’ will leave me. If I make a god that I can relate to and will let me live the way I choose to, then the fear of ‘what could be real’ will go away. I don’t like the fear of having other options of death or eternal torture in the lake of fire. Jesus is all about love, isn’t He? Make me make Him as I want.”

But would I bend to you even if you make Me, within your thinking, to yield to your living? Your knowledge of good and evil came with the fall. And within, you feel hesitation when sinning. Your conscience will slowly burn away. Each day, you will burn within for greater sinning. And this is why hearing just the Gospel will not cause it to automatically grow on good ground. Your soul can turn to a place of stone, dark, unable to be taken over and brought into a new way.

You have a way of knowing there should be more than this. But what religion bears the true way? No religion bears a true way. That’s your first misleading, thinking that calling yourself a certain religion will save you. What you need to take in: you need to deal with the God who created all things. Say right now,

*“I do not know how to move forward. I do not know if I fully understand how God is King Jesus. But I want to take a moment to humble myself and seek forgiveness for wanting to live my own way. I want to know what the wages of sin is through learning about You, King Jesus, and how You came to save me from my sinful way through reconciliation. With Your blood King Jesus and with me confessing my sins and asking You to live within me in spirit, I will begin to notice a change within. I want to bow my knee and make You the God of my life. I do not have the full understanding with so much error out there, but You say there is a Great Holy Spirit who will lead me and guide me to all truth. I want to have a real reconciliation. I want to know the God who created the Heavens and the Earth. I want to be a new creation in my way of living.”*

And that is a good beginning to yielding to Kingdom ways and submitting to the One True God. Let’s pray. Here is a prayer for you.

*Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.*

A NOTE:

**QUESTION:** What are sign gifts?

**YAHWEH SAYS IT:**

A sign gift yields authorization to a servant, yielding the ability to move in supernatural ways of real proof that what they say really comes from Yahweh. Moses came and told the children of Israel that they would be set free, and they wanted supernatural signs that would prove Moses was speaking to Yahweh. And so, by the hand of Moses, I gave powerful, unusual power, uncommon to a gathering of people. What would reflect as sign gifts of today in church plans? Seeing creative healing, raising the dead, healing incurable diseases, seeing limbs (arms, legs, organs) grow, and a transfer of sickness, to name a few.
