

CROSSDRESSING

YAHWEH GIVES INSIGHT:

Serve Me well in telling what is truly not an act of the way that will be Yahweh's way. Do not shy away from Yahweh's will. What is the will Yahweh would allow to lead in all that has a cleansing? Yahweh is not a God of the world that yields to having their own way lead. Yahweh is the God of all flesh, in how He created the world at a spoken power dealing.

Take a look at how I make it plain that there is a plan under My Kingdom order that gives a human the free will to lead whatever life they feel is acceptable. I also will allow under Kingdom order for a true child of God to leave Me and go back to a sinful living, scheduled for eternal punishment in the lake of fire.

I am All-Powerful. I am able to keep all safe. I can read every thought and know every heart's true intention. I cannot ever carry ill feelings in My heart, nor will there ever be rejoicing when there is hatred for others who are living.

Does Yahweh ever hate a person? Never. I am the Creator. I do not hate. I am not carrying sinful tendencies. I am holy, and those under My Kingdom order must live in a way that pleases the Great King Jesus.

The fleshly tendencies within a human will lead if there are no boundaries set in place. The boundaries have a real spirit filter under the seeing way of the Great Way. What is pleasing to the Great Way is guidance to live by. Under what plan? Yahweh's Kingdom order would honor the way of the body, which is the temple of the living God.

There's not one order that says to the woman: Do not wear apparel intended for men. If so, in today's culture, many well-meaning women would be in great harm of portraying a false presentation to trick others.

How does it look for a woman to wear male-intended pants? Does it say to those who look at her that she chooses to live as a male gender? No, it does not. Then, what about a male wearing a dress intended for the female gender? Would culture vote that person as a degenerate? No, for actors in the days of old wore long shirts that covered. And in various lands, male figures wear skirts.

What makes a person a crossdresser? Take a look at the way of thinking, how the crossdresser takes in a craving for a fulfillment not met with the regular, normal, fake, happy view of the culture. Servant, there are spirits that take you into seeing Satan's nature in greater levels, and there is the Spirit of the living God, who takes a person into deep spiritual wisdom.

I am the Spirit who is bringing Kingdom wisdom. I am giving prophets a Kingdom outline with the way here. Take a deep drink in Yahweh's will.

What plan drives a person to crave to walk in another plan while still keeping their other purpose secret? What drives a person to turn and long to look at the other gender's way? Kingdom purpose does not have a leading way. Yahweh's Kingdom order must always lead. But what is the true way? To want to live as the opposite gender will take a person into feeling the need to express that way through their dressing.

For some who are in a secret closet dressing action, they crave the excitement of committing an action that may seem offensive to that person's culture, heritage, or racial detail. Some people desire to wear those high heels that resemble the feeling they tie to a sexual high. Something within that person is triggered—the opposite of a sexual PTSD—where the craving for that feeling for a sensual high becomes an addiction.

Just as with others smelling a particular fragrance or meal may trigger a memory: for a few crossdressers, there is a habit of feeding the craving that takes them to a happy way in their own way of thinking. Any attraction that takes a person under bondage through

an addiction contrary to the nature of Yahweh will hinder bringing Kingdom honor into Yahweh's house.

God is not saying He is against that person's craving to wear high heels. I say that I do not want any addiction that can keep a person from having an intimate communion with My Spirit. Wearing pants is not bad for a female. Is wearing a skirt against Yahweh if you are a male? Is your intention to shift into seeking to bring a sexual surging opposite of Yahweh's plan for the marriage? Are you drawing yourself into a sexual craving contrary to Yahweh's nature?

SEERSGATE SAYS:

This is where you have to see what Yahweh's true nature stands with and if your craving is against the culture of King Jesus. Do you want to break free from old ways? Are you having thoughts of shame and low feelings of worth? Even if you're not dealing with actions of crossdressing, each person living can deal with the pain of past details that hold us down.

You can drink Kingdom love in Yahweh. Just know that the God of all flesh can hear you within your person, whether anyone else can hear you. He knows your true way. Why don't we come and meet with King Jesus together?

POWER PRAYER

Yahweh, I need You. No one on Earth can heal me. You are the "power" way of full healing and restoring to bring me the fullest life. You are Life. Please use me as a vessel that sustains the ways of Your heart, Your nature, and Your love, the Kingdom way. And bring my heart into a synced way with how You see the ways in which I should live and act, the ways that bring glory to Your Kingdom. Amen.
