

WHAT IS CHANNELING? IT'S NOT YAHWEH'S WAY

YAHWEH SAYS HIS GREAT WILL:

So, literally, every person who says they hear Yahweh—Father, Son, or Great Holy Spirit—is channeling? That's what church leaders say today—that Christians who say anything in the name of the LORD are channeling. Where is that written in Scripture?

Channeling is a New Age way and is not a way I talk with a true follower of King Jesus. I will not tell any Christian to empty their mind, go blank, sit there without thinking, and meditate on nothing. I want a follower to have a moment with Me in prayer and while thinking, meditating on what I gave in Scripture, pondering the ways of the LORD.

So, when these people you have listened to say that a person who says they hear from Yahweh is channeling Yahweh, and that person who says it does not even seek Me but just makes a blanket statement, how would you see the true way? Test the spirits.

(1) Dear friends, do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world. (2) This is how you can recognize the Spirit of God: Every spirit that acknowledges that Jesus Christ has come in the flesh is from God, (3) but every spirit that does not acknowledge Jesus is not from God. This is the spirit of the antichrist, which you have heard is coming and even now is already in the world.

—1 John 4:1-3 NIV

Why bother testing the spirits if no way to have Yahweh speak has a bearing? Why test the spirits to recognize the Spirit of God (verse 2) if you do not have a plan to think that

Yahweh still has conversations with His creation? Answer that one. You do not have Yahweh's plan of communion with the creation due to how your human church leaders closed up the written Word and canonized what they thought was authoritative. But Yahweh is the source of all actual prophetic words from Yahweh. That says that even when years or decades or centuries pass without hearing from Yahweh, that does not mean that Yahweh fully ended talking. Weren't there many years in the plan of waiting to power preaching in the wilderness when John the Baptist came forward? And haven't many years passed since the death of the early church apostles? And could I still push forward a new way that will bring preparation for the return of Christ?

Hebrews is not about saying that the Word would only come with early church disciples. And two very powerful prophets are yet to come, as mentioned in the Book of Revelation. Are those yet-to-come prophets false, or will they channel Yahweh when they do actions and declare Me to the people? No! I wait for times to bring authoritative change. Wake up, scribes and Pharisees of today! You blind yourself with your understanding and deductions of what could happen, for you fear being told, "I told you so," by the extreme, incorrect, charismatic voice.

Test all spirits. Look at another reference in this placement.

(1) If a prophet, or one who foretells by dreams, appears among you and announces to you a sign or wonder, (2) and if the sign or wonder spoken of takes place, and the prophet says, "Let us follow other gods" (gods you have not known) "and let us worship them," (3) you must not listen to the words of that prophet or dreamer. The Lord your God is testing you to find out whether you love Him with all your heart and with all your soul. (4) It is the Lord your God you must follow, and Him you must revere. Keep His commands and obey Him; serve Him and hold fast to Him. (5) That prophet or dreamer must be put to death for inciting rebellion against the Lord your God, who brought you out of Egypt and redeemed you from the land of slavery. That prophet or dreamer tried to turn you from the way the Lord

your God commanded you to follow. You must purge the evil from among you.

—Deuteronomy 13:1-5 NIV

Look at what it says: "...Let us follow other gods." Yahweh will never have a word from the Lord that says there will be a placing up of a false god in place of the One True God. And this way includes having no other gods before Me with humans. No one can label themselves a lowercase god and put Yahweh in the place of honor. If you hear a human say they are also a god, do not let them give you counsel from Yahweh.

There must be no other lowercase gods in Yahweh's placement.

If you hear a human say they are a little god or just like God or a duplicate of God or can do the same ways of declaring and decreeing just like God, people who say these phrases are walking in Satan's nature. Stay far away from them, and do not welcome them into your churches.

Here is a grave power warning: I will judge every church that says they are under My covering. It is time to get the world ready for the return of Christ. Now, here is another reference to how Scripture views speaking for the LORD.

(14) The nations you will dispossess listen to those who practice sorcery or divination. But as for you, the Lord your God has not permitted you to do so. (15) The Lord your God will raise up for you a prophet like me from among you, from your fellow Israelites. You must listen to him. (16) For this is what you asked of the Lord your God at Horeb on the day of the assembly when you said, "Let us not hear the voice of the Lord our God nor see this great fire anymore, or we will die." (17) The Lord said to me: "What they say is good. (18) I will raise up for them a prophet like you from among their fellow Israelites, and I will put My words in his mouth. He will tell them everything I command him. (19) I myself will call to account anyone who

does not listen to My words that the prophet speaks in My name. (20) But a prophet who presumes to speak in My name anything I have not commanded, or a prophet who speaks in the name of other gods, is to be put to death.” (21) You may say to yourselves, “How can we know when a message has not been spoken by the Lord?” (22) If what a prophet proclaims in the name of the Lord does not take place or come true, that is a message the Lord has not spoken. That prophet has spoken presumptuously, so do not be alarmed.

—Deuteronomy 18:14-22 NIV

There must be a real understanding. I cannot give any word from Yahweh in the name of any lowercase god. When I, Yahweh, speak, I come in the name of the LORD. When an angel speaks My will, the angel will not come in their own authority. These so-called prophets are saying, “If the people turn to me for help, I can help them by making Yahweh do something.”

What is prayer? It’s a petition that a human brings forward, asking Yahweh for help. That “prophet” has no power on their own. The power source does not start in a prophet or church outlet. Yahweh imparts a power source that comes in line with the purpose Yahweh gives. The prophet must come on Yahweh’s behalf, standing by Yahweh’s written will and not lead a person to worship lowercase gods. My anger is strong against the person who lets a human come and give offerings at their feet. Why worship a mortal who cannot put you in the hell?

Now, pay attention. It is much easier to label all who claim to hear Yahweh as a channeler, than to seek Yahweh. Was every prophetic word mentioned in Scripture written down in Scripture? No. But would that hearing from Yahweh be a channeling action because it was not written down? No. But why? Aren’t followers of Christ supposed to have the Great Holy Spirit leading and guiding them? Put that Scripture.

But the Advocate, the Holy Spirit, whom the Father will send in My name, will teach you all things and will remind you of everything I have said to you.

—John 14:26 NIV

If you say that the previous Scripture was only meant for the disciples, then the whole context of obeying My commands would only apply to their way. But obeying Yahweh is for all Christians who are under Kingdom order. I don't view a "spirit" reminding you without active engagement with who they remind. Wake up, church folks! Stop giving your interpretation because a season of time has passed since the death of the early apostles. Is Yahweh held under natural time? I'm outside of time, and time is in place to give My way to a mortal.

Knowledge still increases. And prophecy continues. And the Words of the Bible are held in an active standing based on Yahweh, a Prophet. Yahweh cannot end the prophet trait when He is not saying anything to an officeholder. The office waits for Yahweh to fill it (with a human) when a power message is to come forward, and prophecy is not given out or closed off based on when church leaders say, "Okay, the old way is done."

Now, hearing from Yahweh is blown away with false actions. They cannot hear, but they want to feel included. So, they end up pretending that they can hear. The blanket over the Church that dulls the Christian's way of hearing makes it difficult to hear as if living in the days of old. But that doesn't mean there is a closing off of Yahweh. Test the spirits.

And this problem of not hearing Yahweh speak as if from the Bible times makes up for all the lack of accuracy in what Yahweh says. The churches struggle with interpreting what is written due to how they cannot hear. But would that say that Yahweh is no longer talking? No. But Yahweh will never put a human on God-level placement, and Yahweh will never tell a human to follow other gods. Yahweh is the One True God.
