

# JUDGMENT IS COMING. WOE. WOE. WOE.

December 7, 2022

## YAHWEH YIELDS THIS:

Woe, get ready. A world-level prophet will begin to say the will of Yahweh with a great power way that will bring Kingdom order on Earth. A plan of tangible actions. Nothing can halt Yahweh. Nothing can bring a powerful surging in the way of creative miracles. No one can raise the buried dead without resurrection power.

Nothing is keeping My servant hidden. I will bring forward power to have a powerful way take the lead on Earth, and I will bring power to counteract the demonic nature. I was letting the power wait to have a servant have ready ways. Power to reshape clay—that power level is not given casually. Power, not natural wealth. Power, not natural charisma. My power. My power. My Kingdom power.

The time is here. The time is here to bring power forward as judgments. My power is here. Power is here. Power has come.

## MESSAGE FROM THE LORD

## YAHWEH SAYS IT:

Who can bring forward such a major plan and have it come forward with human striving? Who can bring in real signs, wonders, and miracles based on hype? Who can give the people a false hope with their declaring and

decreeing when there is no one who can make God Yahweh do anything? No one has control over what Yahweh can do. No one can bring resurrection power and make the world have a deep drink. I bring real power on Earth that will shake up governments and bring those who rebel under this weight of Kingdom order. Just as Pharoah's heart was hardened, so have church ways yielded to coming under the governmental way of Satan and are to be dealt with in harsh ways.

Woe. Woe. Woe. Judgment is coming. And death will be quick. I will bring quick judgment to the irreverent ones while they still live. I will hide grace. I will move in power. The waiting is coming to an end. Yahweh has shown great grace and mercy, and the Church took those traits as a license to sin habitually.

Woe. Woe. Woe. Do not come near Yahweh with irreverent ways. Stay away. You will be destroyed.

Woe. Woe. Woe. Grace will not move forward in the Age of the Antichrist. The harsh ways of Satan's way will push. Woe. Get ready for Pure Evil, a prince under Satan's way, to lead in major world leaders.

Woe. Woe. Woe. I am sending people to the lake of fire in judgment, sealing them. No one who is sealed to the lake of fire will have a way to be given another chance. Take heart, for three are only in this placement. And more will be put out of the way of gaining eternal life in Yahweh.

There is a great movement coming. Power will lead. No current stage leader has what is given in this upcoming power way. The former movements will not have a way to lead. This is a way of former ways from the prophets of old coming into natural living. The old judgment ways of quick action will now have a leading. I will not leave it this way. The real Church must be

structured to have a taste of what is coming. No room for doing your own way.

I trained a woman born from birth for this way. As a judge, prophet, and warrior, she will lead what is coming. Her mantle is a world-level leading. It will fuel this way to build healing rooms and raise the dead. Her covenant is a real power way, and real sign gifts will lead. Woe. Woe. Woe. Do not pray for her natural death. Do not pray to have her stripped from her work. Stay and pray for Yahweh to bring your opening of eyes to see.

Power is now going to push the world-level work, and We will give tastes of this before the ten-year mantle training.

Good. I warned them. Let's see who will test the covenant and enter natural death.
