

A MODERN-DAY PROPHET OF OLD, TODAY?

ENTRY ONE

September 29, 2023

1:19 p.m.

YAHWEH SAYS ALL OF IT:

What prophet of old waited to give a plan in Yahweh until they heard from a spiritual leader? Thank you for finally seeing. I brought you forward to give a world-level message dealing with the end of the Church age and entering the era of the Antichrist. To bring forward such a message required a servant who carries prophet-level traits as if living in the days of old. Every change, every era, every new way requires preparation and an announcement of what Yahweh would bring forward. And if they say to you, "Where are your power traits?" I would say back to them, "Was John the Baptist a real prophet? But John was truly great, yet he carried no power traits. But he prepared the way for the coming Messiah." That's what I would say.

You are given a specific work: preach the Kingdom and prepare the world for the return of King Jesus. Can you do that mission sitting under a local church house? Can you say Yahweh's will with a gauge on the words, where mere local church leaders attempt to understand a world-level message? You have not sat under a church house in over ten years. The way you engage Yahweh—you thought that all Christians heard Me in the same way.

And here you are playing a clip from the YouTube show _____ Radio, trying to figure out how to fit in with the Church plan. How could it be this way? I stripped you from church order and placed you apart and under the ways of old so you would not have a blanket way to hear Me. Your hearing is as a Old Testament prophet. You hear Me say a sentence, and you then write it down. Is that hearing in part?

(8) Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. (9) For we know in part and we prophesy in part, (10) but when completeness comes, what is in part disappears. (11) When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put the ways of childhood behind me. (12) For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known.

—1 Corinthians 13:8-12 NIV

YAHWEH CONTINUES:

Hearing Yahweh speak words and paragraphs is not how the Church's lowercase prophets are. I do not give heavy speaking ways to the Church way. That is why the elders and seasoned workers are to gauge a word or prophetic saying.

You are wondering who will ever believe you. I will torment the mockers and those who come against the mantle, not against the human. For example, a person may say they hate how the current President is doing his office duties. They speak against the President, but they keep their heart actions at bay and do not aim to go and actually remove the current President from office. But look at how a grave presentation would be: that person goes and pushes out a campaign to keep that President from performing their office work by coup, dissension, or chaos through a obstructing way. Then, the law of the land would have to come and back up the current President and cease the moving against a leader. It's the same with Moses. It's the same with any real prophet. The word of the LORD must go forward.

You speak what you hear Yahweh say. You are still able to sin. You are still under My blood covering. Your work is outside of the Church era and is as if given to a servant born in the times of the Old Testament. **Your way to hear Yahweh is unusual, not common, and it is not a model to take the church people through.** You are

sharing what Yahweh gives in a update, as the Church Age will not continue. I will strip away grace. I will not sit under Satan when the literal Antichrist governs the whole world. Yahweh will allow Satan to plunder the whole world and conquer those saints who enter death through torture at the hands of the Antichrist.

You say they must be right about the canon being closed. Does that also mean that Yahweh will not talk with a human through word-for-word conversations in this day? You're hated by both sides, within My seeing. You must have a backing. You will not endure if Yahweh leaves only words. The Church has a blanket over their way of hearing and seeing. I stripped that from your spirit and made you sit with Yahweh as if right beside each other in natural ways.

Can a debate bring you validation? No. No one hears Yahweh in this way and sits in a local church, gauged by others. There is no way you can make them believe you. But that does not mean that Yahweh will not back you. Obstructing your work and praying for your natural death is a dangerous plan. We told the public to say their ill ways or to bring their judgment. But they need to keep their distance.

ENTRY TWO

September 30, 2023

1:01 p.m.

YAHWEH SAYS IT:

So, the Church takes My word and makes it as if it comes from their authority? How can the Church take responsibility for what is labeled as a word from Yahweh? If Yahweh says something, how can I allow a mortal or a church structure to claim it stemmed from their authority? The Church can never claim to be responsible for what Yahweh says.

The Church governs those under their house coverings, but no one can take any credit for what Yahweh says—whether they get it wrong or say it where it seems true. To say

the house will take responsibility over My spoken word through any messenger is to move your governing to make yourself say that you know all My will. You know in part. Mere mortals are trying to say they know all I would say in the church outlets.

That's why I stripped you from sitting under a local church house where they would strip My word and try to make it say what they think their interpretation should stand with. A world-level prophet cannot sit in a church house. The church house would come against a prophet that has a world-level focus. Most of the work under your care has a theme for the general public, not for a local house dealing with general serving. I train you on governmental order, territorial ways of engagement, the literal dealings of the antichrist, and every spiritual sphere. I had you deal with Satan on many occasions. I have had you visit Heaven—so far, at three times.

Your ways of spirit dealings will crumble the regular church member, but do they really think that all actual prophets must sit under a church house? You're not here for the Church. Your work is governed out to prepare the world for the return of Christ. And no local city-based church can handle that level of governing. The end-times surging will not form under a church house. A major prophet who is trained as if a prophet of old currently lives in the Houston territory. Why doesn't anyone know of your way? If John the Baptist had to stay under the local synagogue, they would not have been able to allow him to move into the full work.

The way of the Messiah has to be prepared again. But this time, the preparation is for the Second Coming. No lowercase prophet under a church outlet can have that work. I have a blanket cover over how the Church deals with spiritual dealings at the leading of the Great Holy Spirit. Most Christians barely hear anything. They cannot discern a cult member from a worshipper of the demon placement unless they see a video of that so-called prophet saying to pray to them. They have no spiritual wisdom and go by cliques and their own traditions of men to bring Yahweh under their way of understanding.

My powerful building up of the end times will not stem from a local church. I will not have one who can barely discern, to have them say what I say in this hour of natural church timing. I will not have the new ways of women judges sit under the Church's way due to the order of how women cannot govern men. I will not hinder My plan based on the old ways of My faithful Pharisee servant Paul. Now, I must prepare the world by stripping the grace plan and implementing heavy judgments and strong power from My throne. I am not ever going to go against My written Word. That is why I have to do the work apart from the order of the Church structure and bring forward a new power way that builds Kingdom order.

No church can harness My potent power. They say, "We want more of Yahweh," but they think they can get that power from living however they want. No, the local church can continue to govern local prophetic ways that say what they think could be from Yahweh. I need a servant who will take in great rejection and stand with Yahweh and say the age of the antichrist is coming.

ENTRY THREE

October 3, 2023

1:54 p.m.

YAHWEH IS LEADING:

Servant, that's the problem with the Christian Church. They think there is only a loving King Jesus, and they really forget that judgment is coming. And the same King Jesus mentioned in the Gospels will judge the whole world. They surely need to recall Yahweh's way.

ENTRY FOUR

"A Mixing of Eras"

October 3, 2023

3:48 p.m.

YAHWEH IS LEADING:

They say the old covenant ended; a new one overlapped in the Book of Acts with the ways of former dealings. The old and the new way. The Law and the Christian Church moving in a time of passing way (passing by each other). That is what a fast would do: make you walk in a clearer seeing way. Discerning the way takes seeing Yahweh's way.

Could I also bring forward what needs to lead in the Age of the Antichrist during the Church way and then take away the way of the Church to leave a literal remnant who will endure those crushing ways of persecution? Could it be when the Book that was written in the time of John broke away to deal with the new era? That era is still yet to come into natural placing. Could the natural way to look at parts in the Book of Revelation be to assume it's all still the Church era?

Yahweh has pushed back Satan. Pure Evil is going to lead in the way when Satan's world leader takes over. Yahweh will not let the order of the Church be in submission to a world leader. Oh, would the people see it? The fringes of a new way in the natural era are coming towards a presentation. The message of the Age of the Antichrist must be made active. No one is able to hide from unseen spirits unless Yahweh gives My hidden way. My power will lead. Two eras.

I will work out in the world and give a pushing way of a last call. The way of "old days" judges will come. The Church will enter My judgment. I will shake the tree, and I will call it forward. Come! Hear the calling of the True One. I will bring you into the place of seeing. You will be viewed in Yahweh's way. And no one can break up My great power way. It's here, the fringes. Woe. Woe. Woe. Be aware. Stand Alert. Two eras, overlapping.

ENTRY FIVE

October 3, 2023

4:57 p.m.

YAHWEH SPEAKS WITH THE SERVANT:

The new covenant was not about hearing (God) better because Christ now lives within you!

So, one of you is not hearing well, servant.

ENTRY SIX

“Servant, You Will Get It from Both Sides”

October 5, 2023

11:35 a.m.

YAHWEH SPEAKS CLEARLY:

This is why you are going out into the world. This is why you are not under the Church. A modern-day prophet of old without a backing cannot endure. You will not endure unless I move. But you will have to give Me your body—fully yielded, with vegetables so I could break you. Servant, hear Me clearly. Remember, both sides will move against you.

That lady laughed continually on their program. They were softened towards her because of a grinning woman who was speaking softly. Then she threw around her schooling and training to say from My view, “I cannot back up my point and answer that question, but I will say I have an education to show you that you should listen to me.” That’s what the other side does. They say, “Look at all of my experiences. Surely, I really do go to Heaven often, and I hear from Yahweh. Believe me, because I have visions.”

Servant, you will get it from both sides. Yes, servant, we both say that all the Church can get promptings from the Great Holy Spirit. You know this. But when it comes to word-for-word hearing from Yahweh, no one has this level of work. The blanket covering on the Church makes it impossible for the general church member to hear Yahweh this way.

And yet, they put general hearers of prophecy on the same level as prophets of old. This new covenant enables every Kingdom citizen to receive Yahweh within, a true regeneration and turning. But the Great Holy Spirit distributes the gifts as He wills. And this is why no human can declare and decree Yahweh to do anything.

Now, when it comes to hearing, did anyone accuse prophets who wrote Scripture of having an ego deficiency or needing an ego boost? People really need to think about what they speak. The Church operates on checks and balances, but prophets of old operated using prophet traits. There wasn't a way to stop Yahweh from speaking. Even those prophets that Moses knew about:

(26) Now two men remained in the camp, one named Eldad, and the other named Medad, and the Spirit rested on them. They were among those registered, but they had not gone out to the tent, and so they prophesied in the camp. (27) And a young man ran and told Moses, "Eldad and Medad are prophesying in the camp." (28) And Joshua the son of Nun, the assistant of Moses from his youth, said, "My lord Moses, stop them." (29) But Moses said to him, "Are you jealous for my sake? Would that all the Lord's people were prophets, that the Lord would put His Spirit on them!" (30) And Moses and the elders of Israel returned to the camp.

—Numbers 11:26-30 ESV

Servant, this is why you are outside of the Church—because the Church is already institutionalized. Most would not be able to take a course correction unless you literally raise the dead by the power of Yahweh or glow. They are bound by their traditions of men. They have so much training that they cannot turn and bend to a new way. That's why the early church apostles had such a strong surging, but it wasn't that strong. In the days of Moses, the people rose up against him. They would not even take his word as truth, what he received from Yahweh, without quick judgments for the rebellious ones.

But look at the Church. The grace that blankets the Church causes them to only look at the model of love from the ministry on the earth given in those three years of earthly ministry. They fail to see the whole nature of Yahweh. The better way is that Christ is now within. But the hearing is blanketed. Now you see why every major readjustment from Yahweh requires a strong surging.

Say goodbye to listening to these people and their podcasts, for it is now time to give one month of a very strong battle cry. It's now time to present you. Your thirty years of novice training ended years ago. The transition way is done with. I have tested all of those near you. Servant, there is no work if there is no backing from Yahweh. You boldly say Yahweh's will, and then you pray hard prayers, begging Me to move.

Servant, you finally learned the lesson I gave you many years ago: you need power, not money, to build a world-level work. Take in all of the rejection. Drink from Yahweh. Do not bend in what I told you. The prophets of old—many did not see the fruit of their words. In some cases, the prophet was long dead. But you will not endure if I do not push My great will.

A Special Note (About the Grammar)

Sometimes, Yahweh doesn't say "an" when needed but would use an "a." It's not a grammatical error but a note of the actual way spoken.
